

KILBRIDE GAA Pitchside Advertising

World Class Community Driven Facilities...

Exciting times ahead for everyone in Manor Kilbride.

At Kilbride GAA we are in the process of building a Club House, an All Weather 5-a-side Pitch (including a Football/Hurling Wall & Basketball Court) and a Community Accessible Playground and Walking Track.

The Club plays a pivotal role in the wider community, fielding boys' and girls' teams from ages 5 to 12 and with St Kevin's (Kilbride, Vallemount & Hollywood) from 13 to Minor. Including two Adult Teams for Ladies and Men.

Significant opportunities exist to promote local businesses around our Primary Pitch and Walking Track in Manor Kilbride.

The Club is now seeking to partner with local businesses that share our values with regards to the development of physical wellbeing, leadership, education standards and employment opportunities in the wider community, while partnering with us to achieve our goals of developing world class assessable facilities for the community of Manor Kilbride, Lacken and Blessington.
